Departures

**This schedule of events is provided as an example of the overall quality and scope of the experience offered. The specific schedule, locations, and details may be modified.*

***Plimoth Plantation: Why does the plantation use this peculiar spelling of its name? Spelling was not standardized in the 17th century, and words could be spelled in a variety of ways providing they sounded appropriate when spoken. In the case of this colony, the name appeared in the records and other sources variably as Plimoth, Plimouth, Plymouth, Plymoth, Plimmoth, and even Plimmouth. When the museum opened in 1947, "Plimoth," the spelling most often used by Bradford in his history of the colony, was chosen.*
